

Episode 032 Under the Oscar Radar

Welcome back fellow Daydreamers! Season 2 kicks off with a solo episode. Charlie discusses the work of Daniel Kaluuya, and shares his reflections on Cicely Tyson, Chick Corea and Cloris Leachman. It's Oscar season, and Charlie shares some of the performances he found particularly compelling; Andra Day, Frances McDormand, Vanessa Kirby and Gary Oldman. There are also a few gems that have flown under the Oscar radar that Charlie highlights for you along with an appreciation of the actor Kingsley Ben-Adir.
